

Hello Kids! We'd Love to Hear From You!

The Outdoor Classroom Committee is in the process of trying to bring an outdoor classroom to Merrymount School! How *EXCITING!* Please tell us:

- What are some things you would like to learn about with your teacher in an **OUTDOOR CLASSROOM?**
- Draw a picture showing what that would look like to you!

Your pictures and ideas will be brought to the Community Preservation Act meeting on February 7th to show off your great work! **THANK YOU!**
